Hon. Governor W. O. Rockefeller.

Dear Sir: -

Inclosed please find  
 Clippings in our local news-  
 paper: which states very clear-  
 ly the position about the  
 Coolidge dam - I would like  
 to call your attention to a  
 dam site on the West  
 branch of the Sacandaga  
 river - town of Arietta  
 which would impound as  
 much water as the Coolidge  
 dam - also the state owns  
 most of the land - and would  
 be inexpensive as far as  
 purchase of land -

the merits of this project
