Dear Bro

In few days will send you by express Brown suite of clothes also will mail ok \$10⁰⁰ to cover alterations. Clothes show considerable wear therefore would suggest you do not spend much money on alterations.

We are now settled quietly in our apartment after pleasant ^{trip} South. My face some better do think the mud treatments taken while in Calif. has helped my face trouble since reaction set in.

Best business source better although not enough to show net earnings.

Both are well send love to all

Sincerely
Geo
