Dearest Mother:-

Just a line to say I'm
well and getting along all
right. I suppose you have
been worrying about me I
havent written in so long but
really mother you dont know
the circumstances and con-
ditions. I really havent had
any chance to write before
and now I dont know when
this letter will go out. I hear
from Helen quite regularly
and from John and Vera from
Helen recently but none from
you or Dad in some time. The
letter I got from Helen today,
she said, Dad was complaining
of a pain in his side & hope
it isn't anything serious.
Seems as though he has had
enough troubles for a time.

In your last letter you
told me about the Astorian
apples. My! They must be grand
if they were better than ever
before. I havent tasted an apple
this summer and you know
I was always strong for them

back home.

Now mother, dear, don't worry
about my ^{time} going to be a fright.
I'm going to write just as often
as I can and if you don't
hear from me regularly, remember
it isn't because I neglect writ-
ing or forget home or anything
like that, it's because I haven't
the time or opportunity of writing.

Now write me often and
tell me all the news.

With Love to H.C.
Dad!
