Camp Dix, Jan 29.

Dear mother and all,

I will write letters to all of you as I have not got much time now. We are drilling pretty hard now, but am feeling good. Only a little tired, we have got a little snow down here and it has been pretty cold, but they say it does not last long. Rec. the package all right and enjoyed everything. I have got lots of socks, if you can use them you had better send them to...
Dear,

I have got eleven cans and they are all good. I don't doubt but those you knit would be great but maybe we can use them next winter in the trenches if the war lasts that long. Sometimes it looks as if it would end soon and then again it doesn't. I wrote to Clair and am going to write her. She got a letter from Aunt Mary and I have not answered yet. But will soon. Did I tell you I took out ten thousand dollars insurance so I...
Should get in the way of some of those shells or bullets when we were going over the top. It would not be a total loss would it. I think it would be great sport at that. The way I look at it is if you go over and go through it will be something a fellow will never forget and if we don't we die for a good cause. So Carl and Bush had a scratch format said well Carl is foolish to think of a little thing like that.
