Inclosed in a cover addressed to Mr. Anderson.

Two days since I received a letter without date or signature, informing me that L. Henry — was obliged to me for the intelligence communicated, and that he placed a full confidence in the sincerity of my intentions, &c. &c. — On the 13th Instant I addressed a letter to you expressing my sentiments and expectations, viz., that the following Preliminaries be settled previous to coöperating: — first, that L. Henry secure to me my property, valued at ten thousand pounds Sterling, to be paid to me or my Heirs in case of death; and, as soon as that ~~support~~ shall happen, — hundred pounds per annum to be secured to me for life, in lieu of the pay and emoluments I give up, for my services as they shall deserve. — If I point out a plan of coöperation by which L. H. shall possess himself of West Point, the Garrison, &c. &c. &c. twenty thousand pounds Sterling I think will be a cheap purchase for an object of so much importance. At the same time I request a thousand pounds to be paid my Agent. — I expect a full and explicit answer. — The 20th I set off for West Point. A personal interview with an officer that you can confide in is absolutely necessary to plan matters. In the mean time I shall communicate to our Mutual Friend L. — y all the intelligence in my power, until I have the pleasure of your answer.
