Student Research Awards Checklist

As you prepare an entry for competition, use this summary as a checklist. An explanation of the competition rules begin on page 2 of the guidelines.

_____ Did you use historical records while conducting your research?

_____ Have you completed and included five signed copies of the entry form?

_____ Did you include an annotated bibliography?

_____ Did you include citations if you're writing a paper?

_____ Does the final product answer a research question in depth, using analysis and interpretation of the historical records?

_____ Have you supplied five copies of your entry?

_____ Does your entry meet word length, time and size requirements?

_____ Are exhibit entries packed in re-usable cartons?

_____ Are documentaries and/or performances in a DVD format, and include a script?

_____ Are computer-based projects PC-compatible?

_____ Did you meet the July 1st deadline?
